Mandatory Condition # 2: The defendant shall not commit another Federal, state, or local crime.

Supporting Evidence: On July 25, 2010, a criminal complaint was filed with the U.S. District Court in the Southern District of California, charging the defendant with Alien in the United States After Deportation, in violation of 8 U.S.C. § 1326, docket number 3:10M02501-001.

According to the complaint, on July 24, 2010, in an area near the San Ysidro, California, Port of Entry and the United States/Mexico International boundary, two individuals, one later identified as the defendant, were encountered attempting to conceal themselves in the brush. Upon questioning, both individuals admitted to being citizens and nationals of Mexico, not in possession of any immigration documents that would allow them to legally enter or remain in the United States. The defendant and the second individual were arrested and transported to the Imperial Beach Patrol Station for processing. Information was received that the defendant is now located at MCC, in San Diego, California.

The U.S. Probation Office respectfully recommends the Court issue a warrant for the arrest of the defendant to answer the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
